“ *Cathy,*

I am so very sorry for your loss of such a phenomenal man. I so enjoyed my visits with you and John when he came in to see Dr Travis way back in the "Jones Clinic" days. You two were such great examples of how couples deal with illness and the stress of it. I am so glad that I was allowed to be a part of your lives just sorry that it was because of his illness.

Please know that I am praying for comfort and strength for you and your family in this time of grief!!

*God Bless You!!
