“ *Mary,
Frank told me about your dear brother. I don't know if you remember me or not, but I helped you at the VA in Fayetteville when you first came there to register. If there is anything I can do to help you please don't hesitate to contact me there. My sincere condolences for your loss. Rebecca Reynolds*

“ *Mary, I was a piano student of both you and your mother, Josephine, many years ago. I had the pleasure of meeting your brother, Buddy on a few occasions when he was home from the musical tours. My memories of your family are still strong today, I can remember playing the piano inside your beautiful homeplace. Your mother was always so gracious and the love of music was always so strong within each of you. I pray that you are doing well and will have the strength to deal with the loss of your brother. My best and most sincere wishes and sympathy, Vicky (Clark) Strange*

“ *Mary-*

Was so sorry to read about Buddy's death. The invitation for lunch and a tour of our old house is still open, after you get your affairs in order. If I can help you with any of the details of your furniture moving, etc., please let me know.
