“ Coach Ken, we just now found out about Josh. We are so sad at your loss but we know where he is he is in a better place, He's made it! We still have to get to where he is. Jordan loved the Cowboys! He still talks about that was the most fun in football he ever had. Now, Joseph is telling everyone he's going to be a Cowboy! My last memory of Josh is at your party, I made him lean down so I could hug him! It seemed to please him. Tori knows how to reach us. I just updated her. We are here for you and your family.

“ Ken and Family- I also know you from football. My last name has changed, but I am Weston Bartholomew's mother. Weston had a friend call and tell him about Josh last night. I want you to know that Weston and I both have a special place in our hearts for you and Josh, as well as the rest of the coaches for the Cowboys. Weston's first year playing with you, he had to have his appendix taken out. You called many times and came to the hospital to check on him. We also received many phone calls from you after my husband passed away 2 1/2 years ago. (2 years after Weston was on your team!) I know words can't help right now, but I also know that time and prayer will take away some of the horrible pain that you all are feeling now. Josh touched many kids lives and he will always be remembered. Please know that I am praying for you.
