“ *Granny Jo was one of a kind. I am a volunteer for Elite Hospice and would visit her every week until we were no longer able to go inside. She loved her family and talked about Boxley, Arkansas on every visit. We often talked about her growing up as a child, and talked of her family on every visit. My deepest sympathy goes out to all who are left behind to cherish her wonderful memory. My prayers and thoughts go out to all of you at this time. She found a place in my heart the first time that we made contact. She will be greatly missed. Sincerely, Mary Isaac*
