“Joyce was a one of a kind women!! She loved her family she would mention them often. Her grandchildren were everything. She would tell me story’s about them to help me in my situation. We would laugh together & cry together. Im still at loss & sadden.

Joyce was my therapist for over 7 years. She helped me. Gave me tools to help with my panic attacks, anxiety, my depression. Had me thinking what triggered me. She was so very thoughtful & would even call me to check on me if I missed an appointment. I could call her & she’d call me back before the day was over.

I talked to her the week before she passed away & the day she passed we where to video chat.

My prayers for her family that God is wrapping his arm around them.

I so miss her very much Rest In Peace Joyce ❤️
