“ Fern & Neual were close grandparents to our children during their years of growing up. We all remember the trips to Fort Smith with them on Christmas eves to have dinners with all the family. Many of those included snowy trips over the mountains home, while everyone watched the sky for "Santa & his rain deer".

Fern was a gracious kind Christian woman. She and Neual never lost the fresh love they shared together.

My heart is with Neual and all of their family at this most difficult time.
