“ *My sweet Juanita I miss you my friend!!! know you have gone home to finally meet your maker. I will miss our days that we got to spend together and I feel very fortunate to have been able to call you my friend. Thank you for sharing so much of your life with me. I don't even know where to begin I am so heartbroken. I know that you are finally at rest and at peace with things but I still miss you. I will always remember the good times we had together. Pulling over to pick wild flowers for you and you would say now don't get yourself arrested on account of me but I wouldn't mind having a few of those flowers. I love you my friend and you are missed. God bless Mrs. Juanitas family and I pray that he will give you all strength at this time to get through this. Sincerely Cindy/Ashley Health and Rehabilitation*
