“ *Priscilla - I just learned about your husband recently from Jeannie Thielges and her mother, Joanne. Jeannie gave me Patti's phone # but so far have missed her and as soon as I do and get your current address, I'll contact you. I was so sorry to hear about this; I was told it was some sort of an accident. Hopefully your family is close in the area to you. Prayers to an old friend of many years, or maybe I should just say prayers to a friend for many years and leave the old out, even tho we do go back a long ways. Love to you and your family. “ About a year ago, I had the pleasure to visit briefly with "Greg's dad". He was kind enough to make the trip to Gravette to drop off a truck load of books that Greg donated to our off-campus Bible classes. I remember thinking how nice it was that even though it had been years since he and his family lived in Gravette, they were still caring and contributing to the families in Gravette. What a blessing. I'll be keeping the entire family in my prayers.

I wish that I had talked to him before this happened to just let him know how much dad (MACK PRESLEY) really loved him and cared for your family. I believe they had a very special friendship that most people never find. I remember all of you when you lived in Gravette. Again, you have my deepest sympathy.
