“ I was lucky to know Judy and to share time with her for many years. I realize how her life was full of family and friends and I understand, now, how she made each of us feel special and welcome. She was smart and wise and generous.

Thank you for the photos at the funeral. It was wonderful to see all the laughter she enjoyed.

I think you only take love with you when you pass over, and I know her heart was full to overflowing.

Blessings and comfort to all of you who knew and loved her.

Carol
