“ Judy was such a delight to watch in church, her love for the lord just glowed. I just told her a few weeks ago that I loved watching her and her family, and how they all had that passion for God, she told me it didn't happen overnight, keep your eyes fixed on our father and you too will be there. Those are words that will cherish and yes I will keep my eye on him, so someday I will get to visit with Judy and to know her more.
