“ *Judy I'm soo glad we got to fly with you! And we were soo blessed to have met you. You were a just beautiful person to be around. Great wife & mother!*

“ We were privileged to fly Judy & David to Puerto Rico for Tracee's Birthday earlier this year. We had never met until that day. All of us were a little nervous about being in such close quarters for about 3 hours one way and if we would get along. Oh, did we get along 😊! I knew instantly where Tracee got her kindness and generosity from. We were so blessed to enjoyed a few hours with Judy & David on that trip and actually were looking forward to the return flight later that week. We laughed and had the best time. I was actually thinking recently if we could do that again. I actually missed them when the trip was over. In just that brief period of time she had a way of making you feel like family. She was soo proud of all of you and loved you soo much. David your are welcome anytime you want to go. And if we're ever close by, we will make a stop to see you. Our deepest sympathies for your loss. She will be watching over you all from above now. XOXO, Jennifer & Jim Jorrie
