“ *I haven't seen my aunt Julie in a long time and I wish i could take all that time back and just go visit and talk . She would always tell me how much she loved me and to hear those words again. My mom was her older sister Inez smith. I think she is in heaven visiting all the family she has missed over the years. To Betty, Jerry and Billy, I'm so sorry for your loss you had a wonderful mother. Love you Diane Smith Ambrose*

“ *Everyone that knew her or even just met her would remember her. She had such an amazing presence and you could feel the love and hear her laughter. I remember going over to visit on Saturday mornings with my Mom and sometimes my Aunt Brenda and Beverly would be there. I looked forward to that and always loved being at her house. She was an amazing cook but most of all she was an amazing woman. I am sorry I could not be there today with the rest of our family but you are all in my heart today. I loved her dearly!*

“ *Aunt Julia was the most wonderful aunt she was always there for our family all my life. The best of cooks will miss all the great food and all the canned food she always sent home with us when we visited. Always ready to go somewhere so much energy she always amazed me. She will be greatly missed by all. Beverly*
