“ I’m so sad to hear that Julie passed away. What a beautiful lady. She was a long-time supporter of Hope, Inc and Hope Cancer Resources. She did so much for others in our community. She will be missed. Praying for her family.

“ We had the most amazing group of girls at Cerner in the 90s. We weren’t just professional friends and were lucky enough to make lifelong friends.
Truly heartbroken to have lost our “Julia”.
We have been sharing some fun memories this week in her honor and I hope you enjoy them as much as we have. Love and prayers to you all.

“ Our mothers took turns taking us to Kindergarten at Salem Lutheran. One day at recess, a girl took her swing. I did not remember this. Julie told me this years later that I came up and made the little girl get out and give it back. We laughed about that alot. I do remember staying the night over at her house and it being so much fun . Julie was such a fun person to be around, talented, smart, beautiful, and always like to laugh. Every now and again, I would run into her and her mom maybe at a flea market or see her at the Grape Festival. She had many friends who loved her and I’m sure many funny stories! She will forever be missed and I will never forget her. Rest in peace my kindergarten buddy. Condolences to all of the family. ❤️

“ *Julie was my dearest friend ever for many many Years. We roller skated together, fished Barbies off the boat at her house, explored every inch of the woods at her house and mine, created run throughs for the football team, had shaving cream fights with the Croger boys, surveyed people at The Mercantile to see if they had ever been arrested, the list of amazing memories goes on and on. I was absolutely blessed to have her in my Life growing up and to spend so many special moments with her family. My sincere condolences and Love to the Neil Family. You are in my thoughts and heart.*

“ *Julie truly is an incredible woman and business owner, over the years I was blessed to learn so much from her and her passions. I can confidently say Julie was by far one of the kindest most supportive people I've had the pleasure of working with, and helped to shape my career several year ago when I was first starting out. She will be greatly missed and I hope to speak for everyone when I say her impact on the community lives on. Sending love and light to her mother and family during this time -Kaylan R.*
