“ *Arthur, Ellen, Katie and Jacob..Thank you for allowing me to be a part of your family. I loved Karen so much and this has been extremely hard. While I know she is no longer in pain, I still find myself being selfish wanting her here. My family will always be here for all of you. Love you!!!*

“ *I have known Karen, Frank and Ellen since about 2002. Karen's son Daniel and my grandsons had a wonderful week together on one of their summer visits to visit me. Karen was a strong woman and I am blessed to have known her. I watched her spiritual growth and trust she is with our Lord. My condolences to the family who will miss her so much.*
