“ I had the pleasure of bowling with Karen on Monday Night Ladies and she was always smiling and having a good time (even when she put it in the gutter.) Even though she hasn't bowled in a while, I still thought about her. My thoughts and prayers are with her family.

“ I send my deepest sympathy on the loss of your wife and mother. Karen was one of those wonderful friends that you will never forget. We graduated from Springdale High together and were great friends but as time goes on you loose touch with your friends. She was a very special person, she will be greatly missed.

“ I had the opportunity to work with Karen for the past 10 years and feel blessed to have had her in my life. She was an amazing woman that could always put a smile on your face. Which she did quite often be it a silly dare she would do or a humorous remark she might make. She was and will always be a BIG part of our family.
