“ *I had the honor of being just one of the nurses caring for Mrs Kay during the last few months of her life. I have been blessed to have known her and to get to know her loving family. Kay was a joy to take care of and I loved watching her interaction with her daughter & with the staff. I believe that Mrs Kay and I made a real connection. She knew I was her nurse, that I truly cared for her and only wanted her to be comfortable and pain free. I went on vacation for a week in September and I told her I would be back in 7 days. When I came back, I went to her room first and went over to her chair she looked up at me and I said, I'm back from Florida Mrs Kay, she reached up and put her hand on my cheek in such a loving way that it brought tears to my eyes reminding me of my loving father who passed away in 2005. Mrs Kay will always have a special place in my heart.*
