“ As we picked up our weekend paper, we were so sad to read this news - sorry, we didn't know in time to attend the services - so many fun memories of Karen as a friend and neighbor - our backyards joined each other and our kids all loved sledding down the hills and in the summer we had the longest slip-n-slide around - we always felt welcomed and loved in your home - as the kids grew and our paths went different ways, we lost touch - think the last time I saw Karen was in a flea market in Harrison a few years back - she was shopping with a good friend and had not aged one single bit !!! Bill and family - keep her smile and sweet personality close to your heart and know that she made a difference in every life she touched - we love you and will keep you all in our prayers - I am sure the girls have all inherited her great cooking and sewing skills "Come to me, all of you who are weary & carry heavy burdens, & I will give you rest" - Matthew 11:28

“ Karen is forever in my heart, someone I looked up to, in the way she loved and cared for her family and supported Bill (who was my boss for several years) Karen always made of us feel like family, I always enjoyed seeing the kiddos, shareing in all the things They were doing and the twinkle in Karen's eye as she was so proud of her family! One Christmas she made the girls in the office these amazing sweatshirts with a Christmas tree shaped with buttons, gifts and bows, I still wear it every year and now will cherish it even more, Our hearts and prayers are with Bill and the whole family, Karen will always be watching over you as she always did, sincerely Monica Hudson, Jeff and Candice if Harrison Arkansas

“ We lose people along this journey called life but are forever grateful for the time they shared with us.

Karen Robertson was one of the most caring, gentle souls I have ever known. She was a beautiful person inside and out. Her laughter was a joy to hear and her smile followed that twinkle in her eyes without fail. She will be deeply missed. Godspeed, Karen. ❤️

I did get a pic at Hannah's DB wedding shower but this made me laugh.

“ She will be missed and was loved by many. Family and extended family. I talked to a few people that graduated High School with her today. And all said she was kind and a true go-getter. Also saw a newspaper clipping where she won a trip to see Nixon in 1972. Probably many more stories to learn about my Aunt.

Love to her husband, children and grandchildren.

“ Bruce and I have many fond memories of Karen and her family. We had a special friendship during the time they lived in Clarksville. Karen was kind, gentle and loving. And made the best cookies almost every day!!! Karen had a strong faith and I know she is now home with her Savior with a healed body. We send our love and prayers to all the family during this time.

“ Tina and I are so saddened to learn of Karen's death. Our time together in Clarksville provides us with many fond memories that will linger for the rest of our lives. Karen was a remarkably talented and kind Christian woman, so our tears are tempered by the knowledge of her eternal destiny and the assurance that we will be reunited. May God's richest blessings of comfort be with all of Karen's grieving family. --Marc Muncy

“ I was led by the Lord to ask forgiveness from Karen because of a disagreement I had had with her at church. She responded with grace and a great friendship! Because of Karen, I learned how to truly love and appreciate my children and entered the world of Homeschooling which were some of the best years with my small children. She modeled so much of what I wanted to be as a wife and mother and I will always be grateful that God gave me Karen as my best friend for a little while.
