“ *To Bob and Tim and family,*

Your mother was a true blessing to me and I am forever great full that I got to know her. she was always there for me and guided me and took me and my family in as her own. I loved her dearly and I know that your hearts are filled with great memories of this wonderful lady. Although she will be missed greatly, God has a very special angel now.

What a wonderful lady my prayers and thoughts are with you all.

Love Charlie

“ Bobby , Sorry to learn of the passing of your Mother. My memories go back some 60 plus years when you lived at home with your brother Skip and your Mother in the house across the street for Jefferson Elementary School. She had her hands full raising the two of you, I remember her as a strong ,independent caring mother. I think you, as well as I, were lucky to have "great" mothers to lean on and help shape our lives.
