“ *My condolences to the entire Kopek family but especially Steve and his family. Your Mom was a strong lady and certainly told you how she felt. She was advanced in age, but always remains your Mom. We love you all and look forward to talking about her wonderful life.*

“ *My deepest condolences to the entire family but especially to Mike who I went first through eighth grade with at St. Aloysius. My Mom and I always thought Kay was one of the prettiest women in the parish. Can tell from Facebook you were a good son to her Mike. My prayers for you and all the family for God to sustain you during this sad time of earthly loss. Can't you just see the Angels rejoicing as your precious Mother crossed over? Blessing always. 🙏*
