“ *Kathy was a great friend to my mom and our family for a long time. She loved everyone as family and she was “Aunt Kathy” to many. She left us too soon and will be missed by many. Sending prayers and hugs long distance and thinking of you all during this hard time.*

“ *Anyone who knew Kathy was blessed in some way. I couldn't count the times she has made me laugh. I used to love to see all the 'Elvis' memorabilia she could come up with! She taught me how to smoke a cigar (we only did it once!). Her heart for people was so big and if she could help you (even if it cost her) she would do it. The memories she gave me are priceless. Thank you Kathy for your love.*

“ *There is just not enough space to share my memories of Kathy here. For more then 30 years our families have been intertwined. She called me her sister and she was my children's "other mother". One of the Musketeers is gone and her passing leaves a hole in my life. I cannot image the size of the hole you have in your lives. We love you, Thelma, Jason, Krystle, Courtney, Shyenne and Emma!*
