Kathy Lee was the first person to greet me when I walked through the door on my first day with the Benton County Assessor's Office back in 2007. I always enjoyed break-time hanging out with her on the back porch. R.I.P. my friend.

“ She was a great aunt and mentor. I remember all the things she taught me growing up from riding horses to collecting eggs and feeding her emus. The memories I have of her will live on forever! I will never forget the countless visits to her house in Missouri to see her and Syd when family was in town. I couldn't have asked for a better aunt. Even through ups and downs, she will always be my aunt and greatly missed. I love you so much and will miss you. Give my dad lots of love for me!
