“ I met Keith, only a few years ago, when he worked with the Jones TV crew producing the Drug Court TV show. What stands out in my memory, was Keith's great sense of humor and his ability to adapt to the production challenges. Keith was a good friend to all of us at Jones TV. His contributions made a huge positive difference in our community. I am very saddened at Keith's passing, but feel fortunate to have known him.

“ My favorite memories of my wonderful cousin Keith...when I was a kid and we visited California. Keith was also at Granny Dobb's house as were his step brother and sister at the time. Keith and I plotted (actually he did and I just did whatever my cool cousin said) and got his step brother to milk a steer! We thought it was hysterical...Granny Dobbs was so mad at us!!! Then I remember him coming to my house to visit when I lived in Joplin and he was in town for the 66 music festival. He played with the kids and made me laugh as only he could do perfectly!!! I will miss u so much Keith! Hug your Dad, Mom, Brother and Grandpa for all of us down here! I know ya'll are having a good time up there!!! We will see you again!
