“ *Mr Keith was a very special person to so many people and his presence will be greatly missed by everyone. All of us at the Fayetteville Telephone Answering Service had the pleasure of knowing and working with him for 10+ years. He would make a daily stop into the office to pick up his messages and while there he always made sure that every operator got a hug for the day. His smile was so contagious and with his sparkling personality one couldn't help but smile to. He became a bright spot in our daily routine. Those of us who had the pleasure of knowing him will never forget what a great person he was.*

Our thoughts and prayers will be with his family!!
