“ *I share Jim Thompson's thoughts, as the three of us did gather a lot of fond memories together, especially those on 'Kendal's Mountain'... I have thought of those adventures often over the years and always expected to reconnect with Kendal - that reunion will have to wait, now. Rest in Peace, Kendal, and my prayers are for your family. “ *Jim & David, I was so sorry to hear of Ken's passing. It is like losing a close family member. But I know he is in a better place free of pain with his beloved mother. I know I will see him again some day. I will always cherish the many fun memories we had over the last 50 years. Riding our bikes all over Springdale collecting pop bottles for 2 cents apiece, going to the Apollo theater on Saturday afternoons & the many hunting & fishing trips we took over the years. I'm going to miss you buddy. May you rest in peace & may God bless your family members. Your friend, Jim Thompson*
