“ *Since first meeting Deborah and Ken, I have always admired the devotion Ken held for his partner - pure and powerful support for her that was clearly joyful for them to know in life together. Defining him by the love they shared would make him very happy as I believe he cherished their marriage. His gentle strength and humble heart will be missed by many. God keep you content until you are united once more eternally.*

“ Ken was a kind sweet Godly man. I didn't get to know Ken very well, but was so proud of the way he made my Sweet Cousin Deborah so happy. He was always there for her and was the love of her life.
