“ *Our thoughts and prayers are truly with Ken and his family. We have worked with Ken, Jeff, Ron, Clayton, Patty and the staff for years as they have served us through their CPA work.*

I remember Ken's special attention to our girls and asking about grades and their interests.

God bless each of you and Ken's family as you deal with your loss.

“ *Belinda,*

The Lord knows Ken is in a better place now resting and now you can rest too. You took care of him through thick and thin. You were always there for him and he loved you for it. He made his wishes known many years before you married. He taught many of us humility, humanity, and kindness. Ken will be deeply missed. His many qualities ran deep and his respect for people ran deeper. You are in our thoughts and prayers. If you need anything at all, please don't hesitate to call. We love you both.

“ *Though we are far away and unable to be there for you, our thoughts and prayers are with you. I know that Ken will be missed by all the lives he has touch, but most especially by you. May the support of family and friends be a comfort, and may the pain of this time grow into wonderful memories. May God bless you with his strength and peace in knowing that we will once again see our loved ones again. Love always.*

“ *Belinda,*

You don't know me but I knew your husband because he was a good friend of my grandmother and grandfather Keith and Lena Lea Skelton. He was a great man and he will truly be missed.
