Linda and family, please except my deepest sympathy. Kenny was one of my childhood friends. As we had not seen each other in person for years we kept in touch on Facebook. I will sure miss Kenny and the way he could always give us a smile or laugh. May he rest in peace .

I just saw all of these kind words and thank all of you for. It's so hard to believe that he has been gone for almost 5 months. He is still with all of us in our hearts. I love him always! And miss him so terribly much.
