“ *I meet Ken, 30 years ago when I worked for him at Campbell soup. He was a very understanding and easy to ruffle. When him and patty got married, I knew it was meant to be. I hope she can find peace. Pumkin and Camille he loved as his own, I'd never thought he would have been good at helping raise girls.....I know how easy he got embarrassed at any sort of girl talk or anything colorful. Try to think of the fun times, and what he would want you to do. Love, sharon*
