“ Ken was our neighbor for over 30 years. He was a kind man with a great sense of humor. He often met us in the driveway to share his newest joke. He was always there to help sometimes even before you asked. He was kind to everyone always willing to offer a helping hand or advice. We have missed his living next door to us these last years. Sorry we were unable to get my wheelchair through the door to visit at his service today. God bless and give comfort to his family. He will be greatly missed, but we know he is in a better place.

“ Kenneth was a very great person... I remember when I worked down on his hall, my first day I met him & I just knew that he meant so much to me. I worked 3 to 11 & Kenneth & I just talked & talked. I would sit in his chair with him, & watch cartoons. I would take his shoes & socks off, & tickle his feet. He laughed so hard.. I remember a time his daughter text him, & he was so confused ... So me & another aide went through slowly & showed him how texting worked... There is SO many memories with this man, that I will NEVER EVER forge . Kenneth, I love you. I'll never forget you... Rest in peace, sweeti .

“ Ken, as a rep of Ball Corpn, was the first industrial food co. rep I met when moving into NW Ark in Sept 1984. He was warm, funny, direct, quiet, humble and knowledgeable. He was kind gentle mentor to many of us and he will be missed but not forgotten. He took pride in his kids and grandkids. May God with his ever loving Hands be with all the Wiese family at this time, Mike Johnson
