“ Kerry was a really good guy and will be missed more than we know. He really loved calling those Hogs and I don't think he ever missed a game---we are so sorry for your loss - it was way to soon to lose Kerry-he was a good friend and will never be forgotten.

“ Kerry was a very close friend and fellow athlete. He was constantly telling me how I blocked for him on a certain play against Fayetteville High which allowed him to score a touchdown. Kerry was in spite of his size and gruff demeanor a extremely compassionate loyal friend. He will be missed GREATLY!! My thoughts and prayers go out to the family.

Very Sincerely,
Larry Dabbs

“ I have known Kerry since the 5th grade and although we were never close, I won't soon forget his fun loving nature. We played baseball against each other in Babe Ruth in what were always very competitive games. I cherish those memories. My heart very sincerely goes out to his loved ones.
