“ *His eyes always lit his face up, and he always brightened up the room. Kevin was one of the most caring guys I knew. No matter how much time would go by, we'd pick up like it'd been a day. I'll always remember the purple Camaro. I was super jealous of it, and told him all the time. Kevin was one of the good ones. I'm praying for your family.*

“ *May God comfort you as you walk through this valley of the shadow of death.*

*We did not know Kevin, but we've had difficult times of loss also. My wife and I lost a 21 year old son who died when the motorcycle he was riding was hit by a car.*

*We found that each person grieves in a different way and at different times and see things differently sometimes, so we encourage each of you to allow for those differences in your families. You may not think so in the next few weeks, but as time passes you will be able to think more on the good times that you had together and less about losing Kevin.*

*We are of the Christian faith and as we dealt with our pain we came to understand that God is still sovereign.*

*It is always good to hear people remember and name the one you've lost. Kevin will not be forgotten by friends and I hope they'll share their memories of him with you.*

“ Kevin you will forever this 14 year old kid in my mind. You are such an amazing and kind soul. I am so blessed to have been able to grow up with you and know you as a man and father. Your life was too short and you will be missed greatly by many. You had an impact on every life you came in contact with. You gave selflessly and we're the first one to stand up for the right thing. Thank you for everything and always being kind. I love you like a little brother and will miss you tremendously!
