“ *Kevin and I had many good and bad days, but he was always good to me, it hurt my heart to hear him gone from this earth, but we can always hold our memories in our hearts and minds. I will always remember his good grill cooking, keeping his lawn always trimmed, could repair any vehicle on the road, always busy doing something, was hard to get him to relax and watch a movie, but I will always remember his laugh and the kindness he shared with many, me included. God watch over Payton, Linda, Bill, and Josh & all family members in their great loss, for now is the time for Kevin to be at peace. I will end this with John 3;16, For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.*

“ Lots of memories growing up with Kevin, one particularly comes to mind when his mom and dad moved into grandma Mounce’s yellow house on the corner. Kevin would always come over to our house. Kevin, my brother Jerry and I would play hide and seek or have a snowball fights in the winter sometimes I would sit back and watch Jerry and Kevin get into to trouble for writing their names in the silver insulation on the house. So many memories to list. Rest In Peace Kevin!!

I am in literal shock and such sadness. I met Kevin when he was 4 years old. Such a sweet boy and grew up to be the same. He is now in God's hands. My prayers go out to his family. Rest in Peace sweet Kevin. Gone to early.

Billy & Linda, so sorry for the loss of your Son.....that is difficult. But if he is now in God's arms, he is in a wonderful place.

Growing up in Hickory Creek was special to me, such memories of all who were there also.

May God be with the whole family and comfort you at this time.

Was working with Josh at Summit and needed a special tool to finish a big job. Josh called his brother Kevin and he brought it right out to Summit not long after the call. Thought at the time what a great guy, To take time out of his day to help a complete stranger. After he arrived with the tool and we talked it was like we were old friends . Seen him not long ago when he came to work at Summit , we talked outside his bay for a bit one day an I ask how josh was doing an he said josh had a new job and was doing well. Kevin seemed happy to be working and said he was looking forward to warmer weather so we could all open up the doors for fresher air. I agreed and I joked Ed Fowler wouldn't open his doors no matter the weather. We laughed about it and I headed back to the body shop. Was the last time I seen him, heard his health was failing him and he wasn't able to return to work. I would like to offer my families condolences to Josh and all of Kevin's family. Rest In Peace Kevin .
