“ *We were saddened to hear of Mrs. Boyce's passing. She was such a sweet lady and she and Dr. Boyce were so good to Byron and his family. I remember her making cookies every day. She will be truly missed. Buddy and Betty Carol Bradshaw*

“ *My wife and I just recently moved down the street from Mr. and Mrs. Boyce and have had the great pleasure of meeting Kitty out and about on a couple of occasions. She made us feel so welcome to the neighborhood and her smile was contagious. Her love for animals was apparent and I think she may have been most excited about our puppy joining the neighborhood! We will always have fond memories of Kitty and the impact she had on us in the short time we knew her. Praying for family and friends!*

“ Dear Belinda, Scott and Kalli,

What an honor for our family to know your Mother, sweet Mimo. She was a dear lady with the kindest spirit. There was not a time we were not in her home that the kitchen was alive with aromas of only "Mimo's cooking"! Mimo and Granddaddy have always been so generous to share there love and time with Wren. Always there for a ride home from school, a fun afternoon of swimming in the pool and the best chicken ever! Thank you for allowing our family be blessed by this sweet lady. Our hearts and prayers are with you all and your Father.

*Sincerely,
Tim, Lauri, Wren and Erin*
