“ *We loved and thought so very much of Larry. Bob was privileged to be his pastor from 2000-2003. Larry was such a kind-hearted, compassionate guy - just a very lovable man!*

One fond memory we will never forget is the time we asked Larry to come to the house on Christmas Eve and ring some jingle bells outside our children's windows at 8:00 p.m. Bob and I knew he was coming so we had the kids ready for bed, but they weren't ready to go to bed. When they heard those bells, they couldn't get in bed fast enough!!! It was hilarious! I think Larry came in and had a cup of coffee with us after that. 'Til this day, our kids don't know that Larry did this! They are now 16 and 17.

Our family is very saddened by the news of his death because it brings finality to our friendship on earth, but we celebrate that he is now at home with his Heavenly Father, there to suffer no more! ...and one day we shall see him again. Our condolences to the Anderson Family as well as extended family and friends.

“ I should have thanked you (again), before it was too late, for all the brotherly love you so willingly gave to me during my teen years, and after when you married my sister. You always wanted to protect me, like the big brother (and the father) I never had. It really meant so much to me during a time when I so needed that kind of love. I will never forget you. Love, Donnie
