“ *Our legacy is really the lives we touch, the inspiration we give,
altering someone's plan - if even for a moment -
and getting them to think, cry, laugh, argue.
More than anything, we are remembered for our smiles;
the ones we share with our closest and dearest,
and the ones we bestow on a total stranger,
who needed it RIGHT THEN, and God put you there to deliver. God
Speed, You will be missed Laura.*

“ *My condolences to all my family for this loss, so beautiful kind loving incredible woman. I will miss her like I miss air or water. Some of my best memories were of her walking me down to the corner to get a Red Cream Soda, or calling the 'ghost' ..or when she worked at Minute Man and gave me handfuls of little toys (way before happy meals) I can't believe I won't see her again in this life - but she is with our other family that has passed on and is watching over Destin once again. Peace - Love and Blessings to us all*
