“ *Lavinna was a wonderful friend, I will miss her dearly!
I had the privilege to go to San Diego for a NAR convention a few years back. It gave me a chance to really get to know her. She worked all the time! I mean it! Her phone would be flashing in the middle of the night! LOL That was an eye opener for me as I was a new agent back then.
Her smile was contagious and her eyes were beautiful! She loved her family very much!
I will miss you Lavinna until we meet again!

“ *Lavinna was a kind, giving, caring and loving woman. She was more than a friend to me. She was family.
She put everyone above herself. Family was the most important thing to her. She genuinely cared about what was going on in your life. She made me smile and laugh all the time.
My heart is filled with memories. Life will go on without her, but it will never be the same. I am blessed she was in my life. I love you Lavinna and will miss you more than words can ever express.*
