“ *I really enjoyed sharing stories about our northern ties with Larry. He always treated everyone with respect. I'll miss his humor and morning greetings. He has left a void at Central Junior High.*

“ *We will miss you and talking to you on the phone, we wish we could have gotten together and spent some time together. Sorry we weren't there.*

“ *I have sooo very many wonderful memories of Larry and our High School years together. He was always, kind, sweet, and considerate. We did not do a good job of stayin in touch over the years, tho often he would cross my mind. He did make one trip out here to Oregon, and we had a great time, running around the state seeing the sites for the week he was here. I shall miss him even more now. Ones First Love never really leaves your heart*

“ We lived down the street from Larry and his family while we were growing up.  
I can remember Larry coming over and sitting on my Dad's car hood and just talking the afternoon away. I haven't seen or heard from him for many many years but i still remember those sunny afternoons! God bless and may he rest in peace.

“ I lived just down the street from Larry and his family while growing up in Waukesha, Wisconsin. I remember Larry best as an outstanding diver on the Waukesha High School Swimming Team, of which I was also a member. He helped Waukesha win several State Championships, and I believe was himself the State High School Diving Champion at least one year ( and possibly more). I haven't seen Larry since 1964 or 1965, but I will always remember him as one of our neighborhood group of kids that played together. I am so sorry for your loss.
