“ *I just learned of Leroy passing. My parents and I became friends with Leroy in the mid 80s when we bought 2 chevy short box pickups, and brought them back to Knoxville Iowa. From time to time over the years, I called and talked with Leroy, and he was always interested in how we were doing and which of our 55, 56, 57 chevys we were working on. What a great guy.*

“ My heart goes out to the family for your loss! Lee Roy is missed by many. The last time I visited Lee Roy, he shared his faith in the Lord Jesus with me. I had been around him a lot when Dad would haul his cars or just stop by to visit, but I was especially thankful for this visit. (Luke 15:10 Likewise, I say unto you, there is joy in the presence of the angels of God over one sinner that repenteth.) I imagine his heavenly entrance went about the same. Tim Gabbard. “ I can remember driving from Luther, Ok to come visit my grandma here in Springdale. At least that what dad said...looking back I'm sure it was really so he could come see Lee Roy at the Salvage yard. I set in the car while dad and Lee Roy chased down a car part to complete whatever he was restoring many many times.

Lee Roy and my dad are probably in heaven talking about all the old cars they put together. He is one man that I can honestly say my dad held near and dear to his heart.

They say God puts people in our lives for a reason. Never in a million years would I have thought I'd marry Lonie's brother-in-law.

I thank God everyday for bringing Lee Roy Horn into our lives. He was a good man that will be missed by all that knew him.

My thoughts and prayers go out to all of the Horn family. Someday we will see him again 💖
