“ *Susi, Roy Gene, Donna, Kenneth, Herb, Larry and families:*

I was sorry to learn today of the passing of Lenora. I share in your loss. I spent many hours in Floyd's and Lenora's home - mostly on Sunday afternoon's following the worship services at Johnson. Susi and I were nearly inseparable in our preteens - which meant that Lenora put up with me a lot. I dearly loved Floyd, as well. I am grateful that I was able to visit Lenora in Searcy just prior to the Virus lockdowns. We had one last great visit - and she caught me up on many of you - and we reminisced; great memories. She has been a very long time without Floyd, which I know was not easy - so she was ready to enter the other side of life. She will be missed here. Love to all of you, and prayers for your losses (I know that you lost Frieda recently, as well.) I remember all of you fondly. Love, Janice (Dockery) Glover-Horton ... Condolences from Daddy (Johnny Dockery), as well.

(Under different circumstances, in regard to the virus, we would have greatly enjoyed seeing ya'll again. So sorry that was not possible. Maybe another time. Stay safe!)

... If we don't meet again on this side of Heaven, we'll eagerly look for Lenora and you - on the other side of life.
