“ *We were so sad to learn of Leona's passing. Harold & Leona had
been friends for over 60 years. Our last visit with her was filled with
good memories between them & many laughs. Her giggles were
infectious. She was always positive, always kind, with a smile on
her face. She will always be so missed. Charlie is waiting with open
arms, we are so glad you're not in pain anymore. Fly high, dear
friend. Harold & Sharon McGuire*

“ My dear friend, Lee Stepp, was the sweetest person I've ever known!
She never spoke a negative word about anyone and was always willing to listen to other people's worries and woes.
She always had a kind word and a big hug to offer to anyone who looked like they needed it.
I feel most fortunate to have known her and she will be dearly missed.

“ I was so blessed to have worked with Lee at WSE. I can't find the words to describe how absolutely amazing she was. She always had a smile for everyone and hug if one was needed. I remember a few laughs that we had together. A man that we worked with always the office clown glued her caps on her pins and glued quarters to her chair mat. She would laugh so hard and loved everyone. She will be missed beyond measure. Loving God and her family was always her greatest accomplishment. Little did she know how she touched everyone she meet. Fly high precious friend I am such a better person for loving you. Laura Coberley

“ I use to spend weekends with her when I was real young. Her and Elvis Presley, we went and saw every one of Elvis's movies together. She left pennies out on her dresser for me for each time I would stay at her house. Every time I heard an Elvis song I would remember the great times with her. Miss you Leona.
