“ Sisters, I can not imagine how hard it has been for you all these last few days. And, I did not imagine it would hit me so hard. I will greatly miss Junior's little "primal" yell that he would give me from the garden, while I stood there trying to figure out where he was-- then a hand up to let me know. I will miss his grinning as he came across to give me veges or to talk. We did not spend that much time but I will miss him so. I think you all did a good job and I relished the pics of those early years, to. Love you all--God Bless
