“ To the family of Gene, I am so sorry for your loss. Gene and I went to school together and I have nothing but wonderful memories of him. We grew up together and when he and his wife Gloria had their two beautiful girls, there was not a happier man on this earth, than Gene! My husband and I lived across the street from Gene and his family when the girls were little. Tonya and Denise my heart goes out to each of you and I am sure that you have made your dad very proud of you. Hold on to all of those wonderful memories, they can last you a life time. My only regret about Gene is that I haven't seen Gene in years but not a day goes by but what some thing, always brings a smile to my face when I think of Gene. He had a heart of Gold and it was a privilege to have known him for so many years. Gene, I loved you as a Great and Wonderful Friend, always will! You may be gone but in my heart, "you" will never ever be forgotten! Girls and family my heart and prayers are with each of you in the days ahead. You have my deepest sympathy. One last thing Gene had the most "Beautiful" smile that I had ever seen, you never saw him unless he had that smile on his face and a twinkle in his eyes! So tell that some one you love just how much they mean to you because like me, Gene will never know just how much he really meant to me.
