“ Grandpa, I always loved you and always will. You will be missed daily. I loved being able to share birthdays with you and my favorite memories include our figure 8 train cake that we shared as well as your wonderful musical talents. Love, your grandson, James Moe.

You don't happen to have a brother or a cousin named Henry James Yeager do you? I'm trying to find out more about my dads family.

“ *I met Red several years ago, back when he was still in the contracting business. He had a reputation as a hard working hard driving contractor, he wouldn't take cow poop from any body, period! The other side of Red was a very caring, fair, fun loving person. And he could grow a hecka garden. Red & Sonny's home was / is probably always open for friends. Great People -OLD SCHOOL!!!!*

“ *My condolences to the family. Dee Ann Morrow loved her family and I heard so many endearing stories of growing up in a loving family. I recall meeting her mom and dad on a couple of occasions and knew immediately how close-knit the family was. Knowing he is no longer in pain is a blessing and I know his memory will live on in love and admiration. RIP kind Sir.*
