“ *I was just looking thru the Nevada Daily Mail newspaper and went into the obits, and my God m heart sank when I seen Craig's name. We all went to school together and ran around thru our young years. He was always such a joy to be around, always happy and laughing. I just lost a son in July and death is not easy to get over. our hearts go out to each and everyone of Craig's family. Thank God for memories. Everyone would remember me as Susie Neal and my sister as Sandy Stark. It's been years since we have seen Craig, but have thought and talked about him many many times. We all had alot of fun times. You're in peace my friend.*
