“ *So sad to hear just now, I remember the years of good times we had and in the singles group we went to years ago. Don't think we played games that made us laugh and have so much fun as we did back then. Missed her a lot at Salt but knew it was hard for her to get around, just never knew things were so bad. My prayers are with all the family, God give you peace, Letha was a wonderful sweet lady. I will never forget her.*
