“ *Lenya,Dean and family,
Although we only met your Dad a few times here in Michigan, he will have an unforgettable place in our hearts. He was a pleasure to have known; an honorable man with a warm smile who appreciated everything. We always looked forward to his visits. You are very fortunate to have had such a loving man in your lives. Our thoughts and prayers are with you and your families at this most difficult time.*

“ Lenya & Dean,

Jean called me today and let me know about your father. Although I have not seen him in a number of years, his picture is just how I remember him. He was always nice to me.

My father passed a few years back. I have walked the path you are now taking.

Lenya, I am glad that you had the chance to spend some time with your dad the last couple of years. The one regret that I have in life is that I was not able to spend enough time in Arkansas the last couple of years my dad was around.

Please know you are all in our thoughts & prayers at this time.

*God Bless,
Durell & Elizabeth Howard*
