“ *Dear Zadras*

I know I speak for all the Boos, when I say it was such a wonderful gift to have known your Mom when we were growing up. She was a kind caring person who we very much enjoyed. She was also a great friend to our Mom.

My thoughts are with you at this time. I know how close you all were with your mother and I am sure this is a difficult time you are going through right now.

Your mom was kind, wise, thoughtful, she had an impact on my life and I am thankful for having her as my favorite Aunt. I'll never forget that times we spent with both of your parents, they always made me feel welcome in their home. My parents always enjoyed their time they were able to spend with your mother, she was a special person. Our prayers will be with you, your father and your mother.

Take Care

Tom, Mi-Jung and Mario
