“ *I had the absolute honor of being one of Linda's nurses at Walnut Grove. This news has brought me to my knees. But I have comfort in knowing that she is not suffering anymore. The last few weeks I got to meet many of her family and friends as they came from all over to reminisce about memories past. I'm glad that she got that. After y'all would leave, I would love to go in her room and see the smile across her face. It made her so happy. I'm going to miss her, terribly. My deepest sympathies go out to the entire family.*
