

Linda Jean Rodgers

February 1, 1950 - January 9, 2023

Our Mother, Linda Jean Rodgers, earned her wings on, January 09, 2023. Linda Jean came into this world on February 01, 1950 to her parents Clifford Eugene Rodgers & Mary Lavon Rodgers in Joplin, Missouri. Linda enjoyed spending time at the lake collecting river rocks, shells and driftwood. She had a corky way of expressing one liners by random thoughts and moments that came to her. Linda had the most free spirit about herself and you always could find her surrounded around crafts and crosswords. Best way mom looked at life was “Keep it simple, stupid”, she had a passion for simplicity in life. She will always be remembered for her ability to create such joy, laughter and knowledge. Linda Jean is preceded in death by her father, Clifford Eugene Rodgers, her mother, Mary Lavon Rodgers, her brothers, Steve Rodgers & Stanley Rodgers. She leaves behind her daughters, Stephani Lyn Bobbitt & Megan Rae Martin, and several grand children & great grandchildren plus extended friends and family. She will never be forgotten.

“ Some years ago I'd gone to visit Linda's sister in law and learned that Linda had trouble hearing. I ask if I could pray for her and placed my hands on her ears. Her ears opened and she heard, PRAISE GOD!! And she received Jesus as her Lord and Savior!!! Years before this time I was at a church with friends and saw her brother Stan, receive Jesus as his Lord and Savior!!

“ I miss Linda very much , I had the pleasure of taking care of her and being her good friend while she lived at Bradford house, I miss seeing her daily and her giving me all kinds of craft ideas for activities, I miss her sense of humor and her smile. Thank you Linda for being my friend and making me laugh !

“ Linda was the best crafter I know. She made my sisters and I some custom ked shoes and clip boards for school and those was 2 of my most favorite things I've ever owned in my life. They had different pics and quotes on them of all of our favorite things. I remember staying with her & Jerry and playing with Megan. We always had so much fun. Things are time was so much different back then and simpler. Linda was always the life of the party. Her, my mom(Sue) , Lynn, Earlene & Peggy were besties 😊

“ I will never forget the endless hours we sat together and colored, worked puzzles, made the best salmon patties ever and sharing a can of spicy menudo with a splash of lemon of course. I treasure the time you gave me when you lived with me and cannot wait to see you and all the family when we are reunited once again. I love you ❤️ mom. Never forgotten, always in my my heart and the ever going argument we always had “I LOVE YOU MORE”
