“ My memory of Sister Lisa was when she ask if I would come and be a part of Mercy Flows Full Gospel Church and play the piano. And I said yes. I was very proud to be a part of her life and the church. I really enjoyed my time and visits that had whenever I lived right down the road. I enjoyed my time having Bible studies with her, her daughter Aileena and Sister Stacey. We all sure did have a great time in Holy Ghost spirit service's we together. She was a very good sweet sister in Christ. I will really miss her and hearing her sermons, I enjoyed hearing each and everyone of them. Aileena and family I am praying for you and Sister Stacey. I love you all and I hope God brings you peace and comfort during this difficult time and the days, months, hours and years to come. My heart aches for you all.

“ There has been so many memories I not sure which to put. I guess the family gathering were always ended up in a huge food fight or this one is special. I was going through a very rough time and she would stay on the phone with me and we would go over Bible verse to gather. I sure am going to miss you girl!! Till we meet again at the pearly gates. I love you Brenda
